UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

United States of America,

Plaintiff,

v.

Gregory Boatright,

Defendant.

Case No. 2:20-cr-00166-GMN-VCF

**Stipulation to Modify
Conditions of Supervision**

1. After considering a subset of the sentencing factors set forth in 18 U.S.C. § 3553(a),¹ a court may modify, reduce, or enlarge the conditions of supervised release.

2. The parties hereby stipulate and agree that the special conditions requiring Boatright to (1) reside at the residential reentry center for up to seven months and to (2) participate in the CARE program (imposed at ECF No. 8) should be deleted. All other conditions will remain in effect.

¹ 18 U.S.C. § 3553(a)(1) (the nature and circumstances of the offense and the history and characteristics of the defendant); (a)(2)(B–D) (the need for the sentence imposed to afford adequate deterrence to criminal conduct, to protect the public from further crimes of the defendant, and to provide the defendant with needed educational or vocational training, medical care, or other correctional treatment in the most effective manner); (a)(4–7) (the kinds of sentence and the sentencing range established, any pertinent policy statement, the need to avoid unwarranted sentence disparities, and the need to provide restitution to any victims of the offense).

1 3. The parties further agree that, if Boatright sustains future court-
2 reported violations and the Court finds that he has violated the conditions of his
3 release, the parties will jointly recommend that the Court revoke Boatright's
4 supervision and impose a 60-day custodial sentence with no supervision to follow.

5 4. The parties stipulate that the motion to modify Boatright's
6 conditions (ECF No. 10) is withdrawn.
